### Abstract:

The current volume features the full range of the Josha Journal. Students write about their experiences during Covid Lockdown, Nobel Laureate Joachim Frank talks about his scientific career. From the numerous further contributions, we like to advise George M. Weisz, “Once more on the Fate of Intellectuals in Nazi Camps”, an impressive report about intellectuals in Auschwitz.

## Editorial

### Volume 8, Issue 3

The current volume features the full range of the Josha Journal. Students write about their experiences during Covid Lockdown, Nobel Laureate Joachim Frank talks about his scientific career. From the numerous further contributions, we like to advise George M. Weisz, "Once more on the Fate of Intellectuals in Nazi Camps", an impressive report about intellectuals in Auschwitz.

The Journal again would like to call your attention to the **Demetrios Prizes**, which will be awarded again this year! This initiative is made possible by the International Academy of Sciences, Humanities and Arts (IASHA e.V.) and the BioThera Roland-Mertelsmann Foundation. For the categories Bachelor, Master and Doctor Thesis we will award three prizes in the fall of 2021 of 500 € each. For your chance to win, submit your thesis until August 31<sup>st</sup> 2021!

Now we hope you enjoy reading the journal.

Dr. Stephan Seiler, Vice President, International Academy of Sciences, Humanities and Arts
